

How good is your English?

- Many people feel the harder words are the longer ones: effervescent, uninhabitable, disenfranchisement.
- However, in my opinion the little ones are trickier! Big words usually very specific, whereas small words have many meanings.
- To show my point, all of these slides show three pictures. Each of the pictures represents ONE word.
- See if you can figure out what the pictures have in common.

Focus: Cause and Effect: how one event or idea
leads to another, and how we can use cause and effect to explain how things happen.

Structure refers to the way a writer creates a text.
A cause is a thing that makes something else happen. So...
An effect is a thing that happens because of something else.
Example:
I overslept so I missed the bus.

Signal Words:

- because
- as a result
- due to
- since
- therefore
- which means

Summary: Cause and effect is a type of text structure that shows how one event or idea made another one happen. A writer might choose to use this if they are trying to show the relationship between events or ideas.
