How good is your English?

- Many people feel the harder words are the longer ones: effervescent, uninhabitable, disenfranchisement.
- However, in my opinion the little ones are trickier! Big words usually very specific, whereas small words have many meanings.
- To show my point, all of these slides show three pictures. Each of the pictures represents ONE word.
- See if you can figure out what the pictures have in common.

Multiple causes can have only one effect

A writer might use cause and effect to explain how or why historical or scientific events happened.

Summary: Cause and effect is a type of text structure that shows how one event or idea made another one happen. A writer might choose to use this if they are trying to show the relationship between events or ideas.
